MEMORANDUM FOR: Air Force Member, USIB Computer
Security Subcommittee

SUBJECT: Need for SI and TK Clearances for
Subcommittee Members and Alternates

In accordance with your request, this memorandum confirms the requirement for SI and TK clearances for Subcommittee members to permit full discussion of problem areas planned for future Subcommittee meetings. It would be helpful if you would, therefore, initiate the necessary requests to permit these clearances to be granted on Mr. William S. Donaldson, Jr., the Air Force Alternate member.
